DETAILED ACTION

Allowable Subject Matter

Claim 1 is allowed.

Claims 2-3 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Claim Rejections - 35 USC § 112

Claims 2-3 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. It is not clear whether these claims are dependent or independent claims. It would seem from the elements being claimed that these claims should be dependent on claim 1. Clarification is required.

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
